

# Parents: Find out WHY your child is struggling with Learning, Attention, and Memory!

Register by  
Nov. 29!

Does your child struggle with learning? Is paying attention, following directions, completing assignments, or reading comprehension harder than it should be?

Now's your chance to find out **WHY**! Thanks to an agreement between LearningRx, Timberlin Creek Elementary, and the Gibson Institute of Cognitive Research, Timberlin Creek families can register to receive a Cognitive Skills Assessment for just \$20! (normally \$199)

Our online Assessment takes just 45 minutes and will show you which of your child's learning skills are on point and which skills may need strengthening. Click the link below to register today! <https://forms.gle/1JtV1SdsqVPaXnBq9>
