

## Be the link to our future. Become a Timberlin Creek Elementary PTO Member!

### How does my membership help?

When you provide monetary support to your PTO, you are funding technology in classrooms, Art, Music, STEAM and PE needs, as well as field study opportunities for our students. Your support also provides fun events for both students and families. When you volunteer your time, you are helping make the events and initiatives we deliver more successful.

An Educational Staff Membership is only **\$10**.  
A Non-Educational Staff Membership is only **\$5**.

### Wait! There's more to this membership!

Your PTO also provides the following for you:

- Free Spirit Wear
- Portion of the Fun Run money your classes earn
- Many staff appreciation events throughout the school year

If you have students that attend TCE and have already paid for your membership, please be sure to complete the form below. The classroom with the most participation will be rewarded!
