

Become a 2021-22 PTO Member Today!

When you join your Parent-Teacher Organization, your student benefits and you help your school. However, there are many more advantages to becoming a PTO member!

The PTO:

- offers parents the opportunity to make positive changes in the school.
- distributes information regularly via newsletters, social media, and our website to ensure we inform members and respond to school issues and activities appropriately.
- membership offers a more effective way to suggest change at your student's school.

This is another way for you to show an interest in your child's education and school activities, show greater support for your student's teachers and school, and improve the relationship between parents and school personnel.

How does Timberlin Creek PTO support our school?

Your PTO contributions are hard at work providing funding for these school initiatives:

- Solid-roof permanent structure over our PE area
- Student technology, including (but not limited to) computers, iPads, projectors, and support equipment, as deemed necessary
- Upgrades to the school security system for the safety of our children and staff
- Field study t-shirts and funds for all grade levels
- Supplies and repairs for the Media Center and Music, PE, STEAM and Art programs
- Fun events, such as Mother-Son Event, Family Fun Nights, and Father-Daughter Dance
- Teacher Appreciation throughout the year

PTO Involvement: How involved must I be?

Simply, you decide how involved you want to be. We understand that your family has a very busy schedule and your time is precious. Therefore, your PTO appreciates any time you can spare. We always need volunteers to chair committees and work events, but if you can't find the time, we simply appreciate your membership. We only ask that you join and visit our website.
